Curious George Goes to the Zoo English Edition eBook H

George is really excited to visit a "Wild Animal Zoo" in which the animals roam free. When George falls off the tour bus, it seems as if he might be in real trouble, but, as usual, George's curiosity leads him on to save the day. I love the charming vintage style drawings as well as the page listing facts about the animals in the story to satisfy the curiosity of young readers. Recommended for ages five through nine and nostalgic adults who love Curious George.
