To me 'the god of small things' is the inversion of God. God's a big thing and God's in control. 'The god of small things' whether it's the way the children see things or whether it's the insect life in the book, or the fish or the stars there is a not accepting of what we think of as adult boundaries. This small activity that goes on is the under life of the book. All sorts of

The God of Small Things Shmoop

At its heart, The God of Small Things is about more than just the way the death of Sophie Mol affects the lives of Estha, Rahel, and the rest of their family. It's also about why bad things have to happen in the first place. The book gives us many different stories about a number of the characters involved, showing how each person's story got us to the place where we end up. It forces us to think about whether things happen randomly or if they're meant to be.
