Number the Stars Amazon de Lois Lowry Fremdsprachige B cher

As with Number the Stars, each novel addresses the theme of courage--different types of courage, what it takes to act courageously, and how even small acts of courage can have enormous consequences in everyday life. As an Educational Consultant for the Courage Curriculum, I highly recommend Number the Stars. By relating to Annmarie's bravery, adolescents may broaden their understanding of war and its lasting impact on people's lives.
